---

## Aspirations

Creating dreams and inspiring future generations in 2D animation and writing.

## Experience

*Currently Unannounced Project 2025-2026*

Wrote scripts for animated, educational skits as well as edited and animated said skits. Worked with others in this project to bring the contractors dreams to life.

*Colorblind 2025*

Wrote an introspective script on corporate life and the pains of feeling forgotten

*When I Fall 2025*

Storyboarded a music video for the tale of a window cleaner contemplating life

*History Stuffed 2025*

Co-created a pitch for an educational puppet TV show in which puppets teach kids history through time skipping shenanigans.

## Education

Bachelor of Arts in Christian Ministries and Animation May 2027

## Skills

Proficient in:

Adobe Photoshop

Autodesk Maya

Adobe Illustrator

Toon Boom Harmony

Adobe Audition

Adobe After Effects

I have written multiple skits for projects that are educational as well as introspective.

2D animation particularly in live action settings
